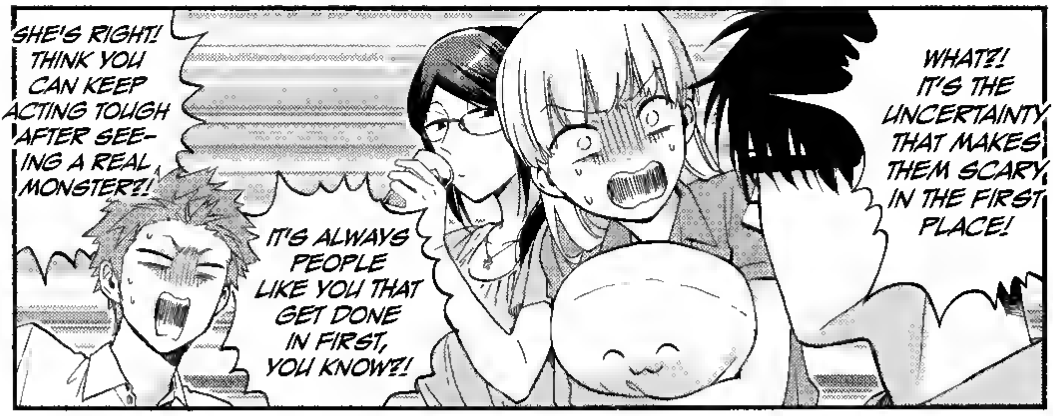
(Struck from behind!) 64

IS IT ME OR IS HANA-CHAN HAVING A LITTLE TOO MUCH FUN?
SUMMER REALLY IS THE BEST SEASON FOR HORROR.
I LOVE SEEING ALL THE PARA-NORMAL TV SPECIALS.
SHE'S JUST REALLY INTO THIS KIND OF STUFF.
LIKE HORROR AND GORE...
I CAN'T HELP IT WHEN YOUR REACTIONS ARE JUST...
PFF !!!
SO MUCH BETTER THAN I'D HOPED.
Ugh...
Ugh...
I JUST CAN'T GET ENOUGH OF IT ♡
I DO LIKE A GOOD SCARY MOVIE,
BUT THE REAL TREAT IS WATCHING PEOPLE JUMP AND SQUIRM!
YOU'RE THE WORST!
SO THIS STUFF DOESN'T SCARE YOU AT ALL?
WELL, IT'S NOT LIKE I'VE EVER SEEN A MONSTER IN REAL LIFE.
HARD TO FEEL AFRAID OF SOMETHING I'M NOT SURE EXISTS.



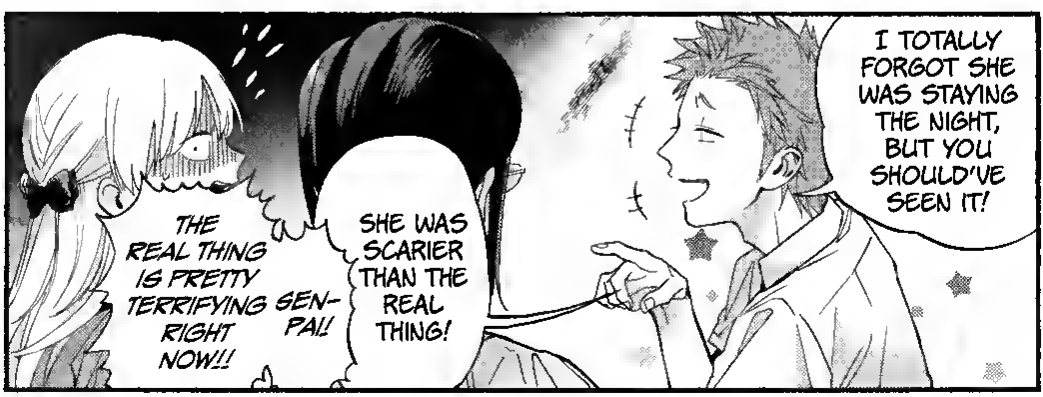
SHE'S RIGHT! I THINK YOU CAN KEEP ACTING TOUGH AFTER SEEING A REAL MONSTER?!
IT'S ALWAYS PEOPLE LIKE YOU THAT GET DONE IN FIRST, YOU KNOW?!
WHAT?! IT'S THE UNCERTAINTY THAT MAKES THEM SCARY IN THE FIRST PLACE!

WELL, NOT HAVING SEEN ONE MAKES A BIG DIFFERENCE TO ME.
I THINK IF I'D ACTUALLY SEEN SOMETHING SUPERNATURAL BEFORE, I'D FEEL...

UH, NO?
Huh?
SO HAVE YOU SEEN ONE?

A familiar sight
SO THIS IS THE MIND OF A GAME ADDICT...
ACTU-ALLY...
MAYBE THERE'S A WAY TO BEAT THEM...
STILL...
IT'S NO FUN IF HE'S SO COOL ABOUT IT.
IF ANYTHING, HE'S JUST MAKING THE TWO OF US LOOK SILLY.
CALM
Unique sense of pride
I NEED TO FREAK HIM OUT SOME-HOW!
KABAKURA -SENPAI WENT FOR IT FIRST!
LISTEN UP...
CAUSE THIS IS SOMETHING THAT'S ACTUALLY HAPPENED TO ME.

One day, I had to work overtime until late at night,
so I hopped in the shower as soon as I got back.
ふ〜
NO TIME TO RUN A BATH...
GOTTA GET TO BED.
Then...
I suddenly felt... something creep up behind me...
YOU'RE LATE!

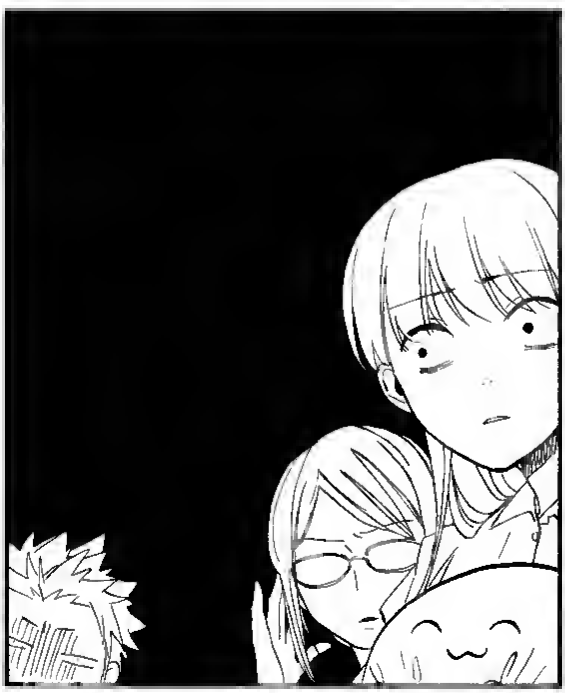


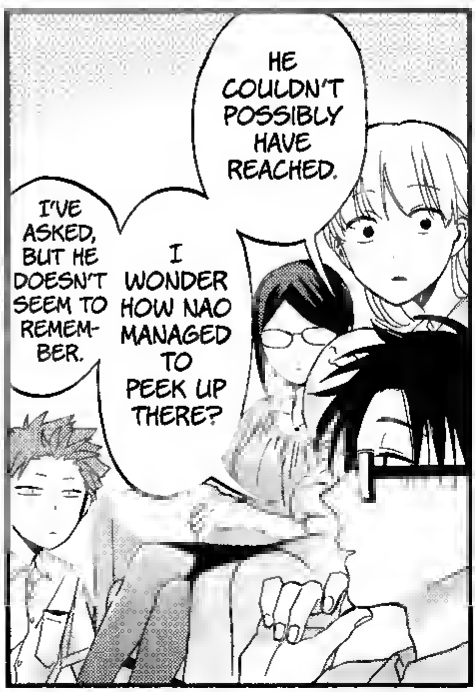
I TOTALLY FORGOT SHE WAS STAYING THE NIGHT, BUT YOU SHOULD'VE SEEN IT!
SHE WAS SCARIER THAN THE REAL THING!
THE REAL THING IS PRETTY TERRIFYING RIGHT NOW!!
SEN-PAI!

This happened while I was in middle school.
On a hot and humid night, much like tonight.
MY TURN!
?
I was far behind schedule on my doujin for a local event.
Maybe if I don't sleep on the weekend...
It's not time to panic just yet.
I'll print them myself if I don't make it.
It's okay. I'll be fine.
BL
HAVEN'T CHANGED A BIT, HUH?
I SEE YOU'VE ALWAYS BEEN A PROCRAST-INATOR.
YOU NEVER LEARN.
Feeling drained by the lack of sleep,
I passed out at my desk.
When I came to the next morning...
I saw before me a yet unfinished doujin...
Can't you just be quiet and listen?

and a blanket I'd never bothered to get.
BL
OH.
YOU TOLD ME ABOUT THAT.
SO DID IT END UP BEING YOUR PARENTS, AFTER ALL?
AS IF I COULD ASK... I JUST LEFT IT A MYSTERY.
ALL RIGHT THEN.
YEAH! TIME FOR THE HEAD-LINER!
SHOULD I TAKE IT FROM HERE?
LET'S HEAR IT, KOYA-NAGI!
I don't have a sixth sense or anything, but I've gotten sleep paralysis a few times before.
Just last night, it took hold of me, right as I was dozing off.
As I laid there thinking, "Not this again..." I heard heneath my pillow...
STEP
STEP
STEP

 (Please no... That's terrifying...)





HE COULDN'T POSSIBLY HAVE REACHED.
I'VE ASKED, BUT HE DOESN'T SEEM TO REMEMBER.
I WONDER HOW NAO MANAGED TO PEEK UP THERE?
